Located in the highly sought-after area of Pererenan, these two modern villas offer the perfect balance between serene living and convenient access to Bali's vibrant lifestyle. Just minutes away from the beach, popular cafes, restaurants, and the bustling hubs of Canggu and Echo Beach, this is an ideal spot for both residential and investment purposes.

Step inside and you'll be greeted by an elegant minimalist interior design with a soft natural color palette.

The villas feature open-plan living areas, modern kitchens, and two spacious bedrooms with floor-to-ceiling windows that invite plenty of natural light. The style is effortlessly chic, combining Scandinavian simplicity with tropical warmth, a calming, luxurious space that feels like home. The outdoor areas are equally impressive. Each villa includes a private pool surrounded by lush greenery, a cozy rooftop lounge with a pergola, and peaceful garden views filled with palm trees, all designed to create a relaxing sanctuary that connects you with nature.

Whether you're soaking in the sun or enjoying sunset drinks on the rooftop, the tropical surroundings elevate the entire living experience. These villas offer the perfect blend of modern comfort, strategic location, outstanding design, and eco-conscious living with features like solar panels, rainwater filters, and reverse osmosis system, an excellent opportunity to own a slice of paradise in one of Bali's most desirable neighborhoods.

WE LOVE

The prime location

The private pool and rooftop lounge

The eco features (solar panel, reverse osmosis system, rain water filters)
