Ideally located in one of the most demanded areas of Canggu, Padang Linjong, this masterpiece villa is close to everything. You'll find trendy cafés & restaurants and the beach nearby. The property is perfect if you are looking for a calm & peaceful place to live in while being super close to trendy places to eat, shop, work, and study!

Designed by a worldwide renowned architects' studio based in Bali, the villa is unique. It was thought down to the very last detail to have a perfect quality of life. High quality materials were used to build & furnish the place. This place is the perfect harmony between contemporary and bali style with the use of raw materials: wood, stone and design furniture: glass...

Built on 700 sqm of land, the masterpiece has amazing views on the greenbelt. The outdoor area features a large garden, a super swimming pool, places to enjoy the sun, balconies and terraces. In line with the outside, amazing wide openings (thought to have an indoor/outdoor life) welcome you to enter a bright interior with a spacious living room & an open fully equipped kitchen.

You'll be impressed by the 9 meters high ceilings. The property features 5 bedrooms with their own bathrooms. Further down, 3 separate suites were thought with their own entrances, terraces and pools as a guesthouse. Featured in many architectural magazines, this property is ideal as a profitable investment property!

WE LOVE
