Nestled in the heart of Canggu, on Jalan Nelayan, these residences offer a strategic location surrounded by Bali's most sought-after destinations and only 500m from the beach.. It is just steps away from Body Factory, Revolver café and minutes away from Echo beach, coworking spaces, boutiques and nightlife. Perfect for those seeking both lifestyle and convenience.

The residences embrace a contemporary design with clean lines, natural textures, and subtle elegance. Each unit is thoughtfully styled under one of the four natural elements—Water, Air, Earth, and Fire—where the layout remains consistent, and the difference lies in the curated color palette and ambiance reflecting each element.

Outdoor areas offer a tranquil environment with garden or pool views, depending on the unit. The atmosphere is calm, green, and perfect for those who enjoy serene surroundings while still being close to the vibrancy of Canggu.

This leasehold property is available in a 2-bedroom configuration and also offers a variety of other options including 1-bedroom terrace apartments, lofts, studios, and rooftop studios—all designed with the same elemental theme
