Rare product on the market, discover this new luxury project very well located in Berawa, the most wanted area in Bali. Many restaurants and shops are accessible in a few minutes by walk. Only 5 minutes away from Berawa beach and international schools this villa is perfect for family living but also for high quality rental investment. Designed and built in a Mediterranean/Ibiza style it features only high quality materials. The property is unique and separated into two villas. This property built on a plot of 830 square meters represents a living space of 675 square meters. It is divided into two main villas linked by a footbridge on the second floor, reflecting the architectural quality of the property. The first villa has 2 bedrooms with luxury bathrooms, an en-suite living room, a multimedia/ entertainment room, an enclosed dining room, an exterior sundeck, a fully equipped kitchen, a patio, a balcony, a rooftop, personnel quarters, a jacuzzi on the second floor, parking for 2 cars and a beautiful swimming pool. The back of the villa's first floor features 2 bedrooms, an enclosed kitchen and a dining room. The second floor includes a bar, a pool table, a sauna and a large central lounge. The entire third floor is dedicated to the master suite, with dressing room, a large bathroom with a sunken bathtub, and its own media and lounge area. This villa also has its own access to the back, with large parking for bikes.
