- New off plan project in Cemagi! Eight loft units of 1 or 2 bedrooms in a complex with a shared pool offer a unique and modern living experience. Located in the quiet area of Cemagi, minutes away from the beach, cafes, preschool and gym. Choose between two distinct units—a 1-bedroom option or a 2-bedroom option—both featuring a storage area, a beautifully modern-designed living room, and a fully equipped kitchen with expansive glass windows offering c views of the communal pool. Additionally, the outdoor space provides a cozy corner for you to relish the delightful weather. The design of each loft is characterized by contemporary aesthetics and functional spaces, providing residents with a comfortable and stylish environment. If you are looking for a quiet place or an investment in a quiet neighborhood, this project could be the perfect choice! The construction of the project started, and will be finished within October 2024.

WE LOVE

- The modern design
- The location close to the beach
- The good quality
