Features

Property ID	BE-118	Bathrooms	3
Price	\$427,995	Leasehold	15 Years
Land Area	800 sqm		
Property Size	360 sqm		
Bedrooms	3		

Located in Seseh, a quiet and emergent area next to Pererenan, this villa is ideal if you are looking for nature and tranquility while being just 5 minutes away from the lively side of Bali. Only 300 meters from Munggu/Seseh Beach, you'll also find cafés and restaurants nearby, making it a perfect blend of peaceful living and convenient access.

The villa was thought down to the very last detail to have a perfect quality of life. High quality natural materials were used to build & furnish the places. Built on 800 sqm of land, the property, designed on 2 levels, has amazing views on emerald green rice fields and dense verdant jungle.

The outdoor area features a large 440 sqm garden, an amazing swimming pool and places to enjoy the sun. You are alone in the middle of nature with a spectacular view. A cozy living room is facing the jungle. In line with the outside, a modern equipped kitchen and its dining area welcome you to receive and cook for your friends and family. The sleeping area consists of 2 bedrooms with their own bathroom and terraces. You'll also find the 80 sqm master suite on the first level with its bathroom and terrace.

This villa is definitely a place to have views from every room! What's more ? Two storage rooms are completing this amazing place. Villa to live in with your family or as a profitable investment property!

WE LOVE
