Located in the sought-after area of Canggu, Bali, this stylish two-story loft offers unparalleled access to Bali's vibrant lifestyle. Just minutes away from trendy cafes, beach clubs, and coworking spaces, it's perfectly positioned for both convenience and leisure—ideal for digital nomads, long-term residents, or savvy investors.

The interior of this loft features a modern-industrial design with minimalist aesthetics. Clean lines, large windows with black frames, and a bright open layout create an airy, sophisticated feel. The bedroom and bathroom are designed for comfort and function, with smart use of vertical space across two levels.

Step outside and enjoy access to a beautifully maintained shared swimming pool, surrounded by tropical greenery and sun loungers—perfect for relaxing under the Bali sun.

The architecture of the building is both striking and functional, featuring natural wood accents and a clean white façade.

Offered as a leasehold property, this 1-bedroom, 1-bathroom loft is a stylish and practical choice for those seeking a peaceful yet connected Bali lifestyle.
