This villa is located in Uluwatu, one of the most strategic locations as it is close to cafes, restaurants, and most importantly, not far from the beautiful beaches of Uluwatu.

With views of the ocean/park and a unique design for lovers of Eastern philosophy, harmony, and energy, the villa has a 48 sqm building size on a 138 sqm land size. It features 1 bedroom, 1 bathroom, a living room, a kitchen, and a dining area.

The highlight of this villa is the swimming pool and a relaxing lounge area, making it a great investment opportunity.

WE LOVE

The ocean and park view

The eastern philosophy design

The good investment
