Nestled in the tranquil area of Kediri, Tabanan, this modern villa is ideally located just a short drive from Bali's most iconic destinations. You're minutes away from Tanah Lot Temple, the stunning Kedungu Beach surf spot, and Pererenan or Canggu area—without the noise and crowds. Surrounded by lush greenery and local charm, it's a perfect balance of convenience and serenity.

Step inside to an industrial-meets-natural design concept. The interiors are thoughtfully designed with a mix of exposed textures, natural stone, rich wood tones, and modern minimalist furniture. High ceilings and large windows invite natural light in, enhancing the cozy yet sophisticated ambiance. This villa blends raw materials with refined craftsmanship—perfect for modern living or holiday escapes.

The outdoor space is a tropical haven. Enjoy a private swimming pool, wooden decking, and lush landscaping with frangipani trees and tropical plants. Tall privacy walls surround the property, offering a serene retreat with garden views and complete seclusion. Whether lounging poolside or entertaining guests, the space is designed for relaxation.

This villa is sold off-plan, allowing you to choose between a 2-bedroom or 3-bedroom layout, tailored to your needs. It's a rare opportunity to own a stylish, thoughtfully designed property in a fast-developing area of Bali.
