•These stunning villas located in the serene neighborhood of Umalas offer a luxurious living experience. The villas have two spacious bedrooms on the top floor, each with its own private balcony. The villa is designed by a South American designer, which is evident in the unique interior decoration and play with textures. The ground floor has fully equipped kitchen and an enclosed living room. The villas extend over an area of 133 square meters on land ranging from 128 to 144 square meters of land, providing ample living space. Each room is beautifully furnished with modern amenities and comfortable furniture. The villa features a pristine swimming pool surrounded by lush green plants, ideal for relaxing and soaking up the sun. Overall, this villa offers a serene oasis away from the hustle and bustle of the city, making it the perfect retreat for those looking to unwind and relax in style. **WE LOVE** The Strategic and quiet location
