Nestled in the emerging hotspot of Kedungu, Bali, this premium 3-villa development is just 450m from two stunning beaches — Pigstone Beach and Kangin Beach. Positioned within the protected Ciputra area, it's also 2 minutes from Bali Beach Glamping and iconic dining spots like Joshua's District and Pigstone Taphouse.

The villas are fully furnished, blending modern comfort with tropical elegance. Interiors feature custom lighting, digital locks, hotel-grade switches, and a calming neutral palette. The living space boasts a bright, open-plan layout with cozy textures, natural materials, and carefully curated decor for an elevated island lifestyle.

Outdoors, each villa offers a private pool, lush greenery, and inviting lounging areas. Enjoy breathtaking views of Mount Batur and Mount Batukaru, the jungle, and surrounding rice fields, creating a peaceful yet luxurious escape in the heart of Bali.
