Nestled in the peaceful yet accessible area of Kediri, Tabanan, this off-plan villa offers the perfect blend of privacy and connectivity. Just a short drive away from popular destinations like Tanah Lot Temple, Nyanyi Beach, and the upcoming Nuanu development, this location is ideal for those seeking a tranquil retreat while remaining close to Canggu's dining and entertainment scene.

The design blends natural textures with contemporary minimalism, featuring high ceilings, large glass windows, neutral-toned walls, and dark wood finishes. The open-plan living and dining area is complemented by an eye-catching staircase and mid-century modern decor accents, creating a cozy yet sophisticated atmosphere.

Outdoors, the villa opens up to a private tropical garden with lush landscaping and a serene swimming pool. Whether lounging poolside or enjoying the greenery through the floor-to-ceiling windows, residents are surrounded by peaceful views and gentle natural light throughout the day.
