This residence in Pererenan is a collection of six modern and instagram-worthy villas nestled in the popular and trendy location of Pererenan. Its high end design makes optimal use of the space and flows seamlessly through the villas living areas to the outdoor pool and seating area where guests can relax and soak in the sun during the day.

The ground floor enters into a fully equipped open kitchen with a beautiful built-in island that seats 6 people for dining and also doubles as a work station with sockets within easy reach. This flows into the main living area with a sunken in sofa with pool views. Floor to ceiling windows across the space allows lots of natural light to stream in. There is a powder room and storage space under the stairs.

The first floor has two private bedrooms, both with ensuite bathrooms. Open plan wardrobes with enough space to hang clothes and shelf space. A full size mirror in each bedroom.

Each villa has its own private pool and outdoor shower, along with comfortable day beds to lounge on as well as a seating area.

The villas are tailor made for daily rentals – perfect for families, couples, and solo travelers / digital nomads seeking privacy, comfort, and style as well as easy access to the beach, great shopping and many restaurants and bars in the area.

The villas will be Instagrammable, help in gaining 5 star reviews leading to higher occupancy rates and ultimately the highest return on your investment.
