Located in the highly desirable area of Tanah Lot, this modern three-bedroom villa seamlessly blends tropical and Japanese aesthetics, offering a peaceful and stylish retreat. The villa is designed with functionality in mind, featuring open spaces, natural light, and cross ventilation. A mezzanine concept further enhances the sense of spaciousness, connecting the interior to the surrounding nature.

This semi-furnished two-story villa boasts large windows, high ceilings in the living room, and natural elements throughout. It includes a spacious kitchen, dining area, and sunken living room, as well as three bedrooms with ensuite bathrooms for privacy and comfort. A large balcony provides stunning views of the surroundings.

The outdoor space is equally impressive, featuring an infinite swimming pool with a wooden deck and a tea table—perfect for relaxation and unwinding.

Whether you're seeking a serene getaway or an investment in a prime location, this villa offers the best of both worlds. Contact us to learn more about this wonderful villa!
